

2003A Bond

**State Street
Sidewalks
Phase IV
400-500 Blocks
\$3,700,000**

PROJECT DESCRIPTION:

Funds for Phase IV of the State Street Sidewalks Improvement Project, blocks 400-500. Included in the project will be various modifications to Phase I, blocks 1000-1200. Brick pavers will replace the existing tile sidewalk and as in other phases, various landscape improvements, benches, trash and recycling containers, drinking fountains and holiday lighting.

PROJECT MANAGER:

Marck Aguilar,
Redevelopment Specialist

NOTES:

Construction began the second week of January. All funds have been encumbered.
